HOOF GUARD

Vitamin and trace element premix
for hoof protection

Health Care for cattles and small ruminants (sheep and goats).

Your animals' ally for:

- Healthy feet and hooves
- Strong and clean skin
- Healthy coat
- Proper udder function
- High milk quality

Benefits of the ingredients:

Biotin: Improves hoof health → reduces cracks and inflammations.

Vitamin E & Selenium: Powerful antioxidant protection → helps prevent mastitis and supports the immune system.

Manganese: Supports the formation of strong cartilage and tendons → essential for balance and movement.

Zinc: Crucial for wound healing, keratin formation, and the health of skin and coat. Reduces dermatitis and laminitis.

Dosage: 1–2 kg per ton of compound feed.

*Consult your nutritionist.
